CLIENT OF THE MONTH

Loren Sides
 "We Think You Are AWESOME!"

THANKS FOR THE KIND WORDS!

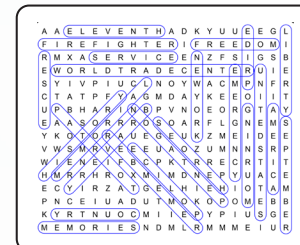

"I brought my car to Yeck's because of a sudden rattling noise in my engine. They got me in quickly, diagnosed the problem, and got me on my way in no time. The staff was so kind and professional, and the charges were fair. They did a thorough check of the car and documented everything on a site where I could see what they were doing and why. This is the best service experience I've had in a long time, and I will definitely be returning here for future service."

Free TIMING BELT

It's crucial that your car's TIMING BELT be replaced at or before the manufacturer's recommended interval. A broken timing belt can leave you stranded and, in many cases, cause severe internal engine damage.

SEPTEMBER 2024

MANAGER'S MINUTE

Last month, we held our 11th Annual "Golf for Vets" tournament. While we don't yet have the final numbers raised, it was once again a huge success. Follow us on Facebook to see the results soon. Before this year, we had already raised over \$87,900, which has been split between the Veterans Home and the Disabled American Veterans Chapter 47.

I was told by the DAV that with our donations, they were able to provide holiday meals and emergency assistance, in addition to conducting 2,930 counseling sessions with veterans and their surviving spouses in 2024. This is up from 1,870 sessions in 2023. We are truly honored to support their wonderful mission.

We also had the extreme honor of hosting 10 veterans from the Eastern Nebraska Veterans Home for the awards dinner, and they had a blast!

We could not have done it without all of our magnificent sponsors, donors, and volunteers. I would like to extend a HUGE THANK YOU to everyone who helped put this event on, and I am looking forward to doing it again next year.

See you soon,

Mark

INTERNATIONAL DAY OF PEACE

Each year the International Day of Peace is observed around the world on September 21st. The UN General Assembly has declared this as a day devoted to strengthening the ideals of peace, through observing 24 hours of non-violence and cease-fire. Help celebrate peace by standing up against acts of hate online and offline, and by spreading compassion, kindness, and hope.

SEPTEMBER 8TH IS GRANDPARENTS DAY!

President Jimmy Carter signed a proclamation creating a National Grandparents Day in 1978. At that time, President Carter and wife Rosalynn had just two grandchildren. But, with four children, they would go on to have more than 20 grand- and great-grandchildren.

Grandparents Day is not technically a federal holiday. It is, however, a great excuse to honor and show some love for the older generations in our families. Since they are often the ones "spoiling" their grandchildren with affection, consider this an opportunity to show them how much they mean to you!

6 FUN FACTS ABOUT LABOR DAY!

1. The first U.S. Labor Day was celebrated on Tuesday, September 5, 1882 in New York City, planned by the Central Labor Union. The Labor Day parade of about 10,000 workers took unpaid leave and marched from City Hall to Wendel's Elm Park for a concert, speeches, and a picnic.
2. Oregon was the first to declare Labor Day an official holiday in 1887.
3. Labor Day is considered the 'unofficial NFL season kickoff.' 99.44 percent of the time, the NFL plays its first official season game the Thursday after Labor Day.

6. On June 28, 1894, Congress passed an act making the first Monday in September of each year a legal holiday in the District of Columbia and the territories.

SEPTEMBER 17TH IS CONSTITUTION DAY

Constitution Day is observed every year on September 17th to commemorate the signing and adoption of the constitution of the United States of America by the Founding Fathers in Philadelphia on September 17, 1787. Constitution Day is also known as Citizenship Day, which was the name of the holiday until 2004, as its purpose was to "recognize all who, by coming of age or by naturalization, have become citizens."
