WE  OUR CLIENTS!

Did you know that sooner or later your car's engine accessory drive belts, timing belts, and coolant hoses will require replacement -- usually between 60,000 & 90,000 miles? In many instances this wear takes place from the inside out -- so it's not detectable by your eye.

In the case of timing belts, teeth that keep the belt in place and functioning properly can snap off or the timing belt may become frayed and loose. One sudden malfunction of these relatively inexpensive, but very important parts can ruin your day.

About Valentine's Day

Valentine's Day is a celebration of love and lovers. The roots of Valentine's Day goes back to ancient times, when people paid honor to the Roman God of Fertility. This was known as the Feast of Lupercalia, and was celebrated even then on February 14th. The traditions of Valentine's Day are broad and many. It is a time to exchange cards or small gifts. Chocolates, flowers, jewelry, and romantic dinners are the big hits of this holiday. It is a romantic event for lovers, and a fun event for kids and family. Many a couple become engaged or wed on this day. For others it is a day to fall in love.

Did you know? While 75% of chocolate purchases are made by women all year long, during the days and minutes before Valentine's Day, **75% of the chocolate purchases are made by men.** Over \$1 billion of chocolate is purchased for Valentine's Day.

Flowers that say "LOVE":

Many flowers express love in some way or other. They are popular for Valentine's Day, but may be better for your budget than a dozen roses. Here is a partial list:

Roses - The red rose is the universal symbol of romantic love. Need we say more!?

Carnations - Sure, red roses symbolize love. But, did you know that carnations symbolize deep love and admiration, too!?

Forget-Me-Not - These perennial flowers are a sing of love or friendship. Pretty blue flowers are irresistible.

Love-In-A-Mist - When you are in love, you're on Cloud Nine.

Cyclamen - This popular Valentine's Day gift has heart-shaped leaves. The most popular are varieties are those with red flowers. Gee, I wonder why.....

Mistletoe - According to tradition, you kiss your intended under the Mistletoe at Christmas. You can also do so on Valentine's Day. Good luck finding Mistletoe in February.....

Passion Flower - ignite your passion.
