JULY 2026 CLIENT NEWSLETTER

MANAGER'S MINUTE

First of all, I would like to wish everyone a very Happy and Safe July 4th. This year we are celebrating our nation's 250th year anniversary, please be safe in your outings and always remember the people that sacrificed for the freedoms we enjoy.

With the holiday and the summer road trip season beginning, AAA expects to receive calls from over 7 million stranded motorists. The majority of these issues can be prevented with a pre-trip vehicle inspection. So, before you & the family pack up the "Family Truckster" & head on over to "Wally World", be proactive, get some peace of mind & make sure that vehicle is safe & ready for the road. See You Soon! -Mark

Happy 4th of July

U.S. INDEPENDENCE DAY FACTS

HISTORY: Independence Day commemorates the adoption of the Declaration of Independence on July 4, 1776, declaring the United States independent from British rule.

TRADITIONS: Celebrations often include fireworks, parades, barbecues, and family gatherings. Many people also enjoy road trips to see fireworks displays in different cities.

AUTOMOTIVE CONNECTION: The holiday is one of the busiest travel days of the year, with millions of Americans hitting the road. It's a great opportunity to showcase patriotic-themed vehicles or decorations!

FUN FACT: The first official July 4th celebration took place in Philadelphia in 1777, featuring fireworks, music, and a parade!

BAKED BEANS RECIPE

- 4 slices regular bacon, diced
- 1 medium onion, cut into small diced pieces
- 1 medium green bell pepper, cut into small diced pieces
- 1 red bell pepper, cut into small diced pieces
- 1 fresh jalapeno, chopped
- 1 cup barbecue sauce
- 4 large cans (28 ounces each) pork and beans
- 1/2 cup brown sugar
- 1/4 cup distilled or cider vinegar
- 2 tablespoons ketchup
- 1 tablespoon yellow mustard
- 2 chipotle peppers, minced
- 6 slices thin bacon

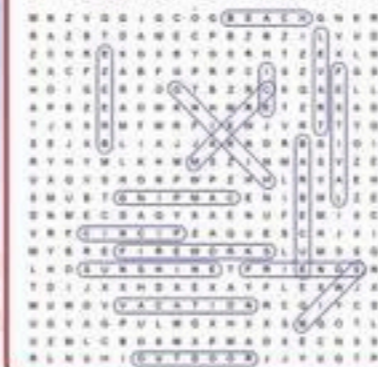

- DIRECTIONS**
1. Adjust the oven rack to the lower-middle position and preheat the oven to 325 degrees F.
 2. Fry the regular chopped bacon in a large, deep skillet until the bacon has partially cooked and released about 1/4 cup drippings.
 3. Add the onions, peppers and jalapenos, and saute until tender, about 5 minutes.
 4. Add the beans, barbecue sauce, brown sugar, vinegar, ketchup, mustard and chipotles, and bring to a simmer. (If the skillet is not large enough, add the beans and heat to a simmer and then transfer to a large bowl and stir in the remaining ingredients).
 5. Pour the flavored beans into an aluminum pan.
 6. Top with the uncooked slices of bacon (you can halve the slices if you like).
 7. Bake until the beans are bubbly and the sauce is the consistency of pancake syrup, about 2 hours.
 8. Let stand to thicken slightly and serve.
