Under Pressure: Your TPMS System

Flats, blow outs, skids and longer stopping distances can all be the result of driving around on underinflated tires. It's hard to tell when a radial tire is underinflated

-- the tire may not look low until it gets below 20 psi -- which is significantly underinflated and unsafe. Most vehicles today are equipped with a tire pressure monitoring system (TPMS). Race car drivers have been using this technology for years. They are able to head off dangerous under inflation problems by closely monitoring tire pressure on the track. Numbers show that TPMS technology saves lives -- have your tire pressures checked regularly and if that TPMS light comes on, find out why ASAP!

See You Soon! - Mark

We've gone
BASKETBALL CRAZY
at Yeck's Tire & Auto
And we want you to get
CRAZY too...

For the **ENTIRE** month of
March, we will be Shooting
Hoops for Discounts!

When you bring your car in, you'll get the
opportunity to shoot a nerf basketball for
GREAT SAVINGS!

Get up to 10% off our incredible services just
by showing us your **SWISH!!!** Style points taken
into consideration. Everyone leaves a Winner!

Call us today to schedule your appointment!

\$49 maximum discount. May not be used with any other offers. Excludes tires & batteries. Expires 3/31/20

**THANKS FOR
YOUR KIND WORDS!**

"Best people to work with. Loaner car is
a life saver. So glad I finally found a car
repair shop that is good and fair."

MAR
2020

things you auto know...

facts about march customs and traditions

GEMSTONE: Bloodstone **FLOWER:** Jonquil

WHERE DOES THE WORD MARCH ORIGINATE FROM? The word 'March' comes from the Roman 'Martius'. This was originally the first month of the Roman calendar and was named after Mars, the god of war.

MARCH USED TO BE THE FIRST MONTH OF THE YEAR

March was the beginning of our calendar year. We changed to the 'New Style' or 'Gregorian calendar in 1752, and it is only since then when we the year began on 1st January.

ANOTHER NAME FOR MARCH

The Anglo-Saxons called the month Hlyd monath which means Stormy month, or Hraed monath which means Rugged month.

TRADITIONAL GAMES PLAYED IN MARCH

All through Lent the traditional games played are marbles and skipping. The games were stopped on the stroke of twelve noon on Good Friday, which in some places was called Marble Day or Long Rope Day.

The game of marbles has been played for hundreds of years and some historians say that it might have been started by rolling eggs. In the past, round stones, hazelnuts, round balls of baked clay and even cherry stones have been used.

SUPERSTITION

If Easter should fall on Lady Day (March 25) then some disaster will shortly follow: 'When my Lord falls in my Lady's lap, England beware of some mishap.'

st. patrick's day shamrock pie

Crust:

- 1 1/4 cups graham cracker crumbs
- 5 tablespoons unsalted butter, melted
- 2 tablespoons white sugar
- 4 large egg yolks
- 1/2 cup key lime juice (use slightly less lime juice if using regular limes)
- 2 tablespoons key lime zest
- 1 tablespoon honey

Filling:

- 1 (14 ounce) can sweetened condensed milk
- 2 drops green food coloring, or as needed

Directions

1. Preheat the oven to 350 degrees F. Set a rack in the middle of the oven.
2. Stir graham cracker crumbs, butter, and sugar together in a bowl until combined. Press the magical creation into the bottom and sides of a 9-inch pie plate.
3. Bake in the preheated oven until set, about 10 minutes. Let crust cool on a wire rack; leave oven on.
4. Whisk condensed milk and egg yolks together in a bowl until well combined. Add key lime juice and zest; mix well. Whisk in honey to combine. Add food coloring gradually, whisking until filling is green enough for you. Pour filling over the crust.
5. Bake until nearly set, 16 to 18 minutes. Let cool completely on the wire rack so pie can set fully, at least 30 minutes. Cover and refrigerate, 8 hours to overnight.
