 "We Think You Are AWESOME!"

Thanks for the Kind Words!
 "We have been taking our cars here for many years, and this is the only place in the Bellevue area we trust for repairs. They always take the time to explain things and answer questions. Repairs are done quickly, and communication is always clear. Everyone at Yeck's is friendly and kind. Prices are reasonable and fair, and they match the estimates provided ahead of time. Yeck's is awesome!" – Corey R, Bellevue, NE

WORLD AUTISM AWARENESS DAY
 World Autism Awareness Day is internationally recognized on April 2 every year, encouraging Member States of the United Nations to take measures to raise awareness about people with autism throughout the world. It was designated by United Nations General Assembly resolution 62/139, passed in council on November 1, 2007, & adopted on December 18, 2007. Since its inception, autism awareness and research around the world has increased. World Autism Day is also one of only four official health-specific UN Days. The day itself brings individual autism organizations together all around the world to aid in things like research, diagnoses, treatment, and overall awareness for those with the disorder.

APRIL 2026 Client Newsletter

MANAGER'S MINUTE

I am privileged to work with such wonderful and talented people. They are genuine, thoughtful, and work hard every day to take care of you, our valued client. When you visit us, we want to make things easy and convenient. If you are waiting, you can do so in comfort -- our waiting area has all the bells & whistles: Free WiFi, charging stations for all your mobile devices, lobby TV & free beverages. When you must leave your vehicle with us, we can put you in one of our free loaner vehicles, we can give you a ride, and we can even pick up and deliver your vehicle. We have been serving the Bellevue Community for 51 years -- so you know we're not going anywhere. We will always be here for you when you need us! I also have to thank my staff for taking time away from their families to attend the Vision Automotive Training Conference in Kansas City again this year. This is a top-of-the-line training event for both technical and management training that we have attended for several years now. Thank you, Megan, Trent, James, Connor W, Connor S and Gunther! This means more to me than words can say!!

See You Soon!
 Mark

Happy Easter!

HERE ARE SOME FUN FACTS ABOUT EASTER:

- Easter always falls on the first Sunday after the first full moon occurring on or after March 21.
- After Halloween, Easter is the biggest candy-consuming holiday in the U.S. Chocolate bunnies are the favorite, accounting for 58% of candy purchases.
- The tradition of the "Easter Bunny" bringing eggs is believed to have originated from German folklore, arriving in America with immigrants in the 1700s.
- The world's largest Easter egg was made in Canada, weighing 5,000 lbs, while the most expensive, the Rothschild Fabergé egg, sold for over 14.5 million dollars.
- In Switzerland, the Easter bunny is not the only gift-bringer; the cuckoo bird is traditionally responsible for delivering eggs.
- It takes only six minutes to create a single batch of Peeps, which were invented in 1953.
- The name "Easter" is likely derived from Eostre, an Anglo-Saxon goddess of the dawn and spring.

NAPA AutoCare Peace of Mind Warranty

- Nationwide
- 36 Months
- 36,000 Miles

Coverage on All Parts & Labor on Qualified Repairs & Services.*

Puzzle Solution

YOU DESERVE A TAX BREAK

- \$10 OFF OVER \$100
- \$30 OFF OVER \$200
- \$50 OFF OVER \$300

any Service or Repair during the entire month of April!

Must present coupon. Cannot be Combined with any other offer. Excludes tires & batteries. See Store for full details. Expires 04/30/2026.

April is National Car Care Month, a time dedicated to raising awareness about the importance of regular preventative vehicle maintenance. Established in 2003 by the Car Care Council, this initiative encourages drivers to address any wear and tear from winter and prepare their vehicles for spring and summer travel. During April, automotive experts recommend focusing on the following areas:

- Fluids: Check levels for engine oil, coolant, brake, power steering, and windshield washer fluids.
- Tires: Inspect tire pressure (including the spare) and check for tread wear or damage. If you used winter tires, April is the time to switch back to all-season or summer tires.
- Brakes: Ensure your brake system is inspected for wear, as winter conditions can be particularly harsh on pads and rotors.
- Wiper Blades & Lights: Replace blades that are streaking or cracked, and test all interior and exterior lights for proper function.
- Battery: Check for corrosion on terminals and have the battery tested if it is more than three years old.
- Cleaning: Perform a thorough "spring cleaning," including a car wash that targets the undercarriage to remove salt residue.

Why It Matters:

- Safety: Regular checks reduce the risk of mechanical failure and roadside breakdowns.
- Cost Savings: Identifying minor issues early prevents them from becoming expensive, major repairs.
- Resale Value: A well-documented maintenance history helps preserve the vehicle's long-term value.

Be Car Care Aware

Next to observing safe driving practices, caring for your car with proper maintenance is one of the most important ways you can protect yourself as a driver. A poorly maintained car is a risk to you, your passengers, and every driver you encounter on the road. A well-maintained car keeps you and everyone around you safe and will end up saving you a pretty penny on costs like towing, repairs and accident-related costs.

APRIL is National Car Care Month

Show your car you care with our complete vehicle checkup including a Digital Vehicle Inspection!

- Lube, Oil & Filter Service
- Inspect All Belts & Hoses
- Set Tire Air Pressures
- Rotate All 4 Tires
