

MANAGER'S MINUTE

As I think about this month's Managers Minute, I cannot help but think that, unfortunately, almost everyone in their lifetime has been or knows someone that has been affected by cancer. Mine is my mother-in-law, Fumiko (Janice) Hesterlee, and our co-worker Logan Jording. We do not feel that they lost their battles, but that they kicked its butt for several years. There is not a day that goes by that we do not think about either one of them. Although they were adults, they are part of the reason we are going to again run our 'FREE BRAKES Promotion' this February and March, which will benefit St. Jude Children's Research Hospital. PLEASE join us in helping this OUTSTANDING organization that helps kids and their families through their battles with all types of childhood cancers. The details of this promotion are in this newsletter. If you do not need any brake work, feel free to come down and make a donation to help our cause, and we will make sure it gets to them.

Thank you for your continued support, and we will see you soon.
Mark

BRAKES FOR KIDS

Dear Neighbor,

From February 1, 2025, through March 31, 2025, get FREE brake pads or shoes with any brake repair. Even better, 10% of the brake repair costs are donated to benefit St. Jude Children's Research Hospital®.

St. Jude Children's Research Hospital is leading the way the world understands, treats and defeats childhood cancer and other life-threatening diseases. And families never receive a bill from St. Jude for treatment, travel, housing or food — so they can focus on helping their child live. Their mission is clear: Finding cures. Saving children.®

St. Jude cares for some of the world's sickest children regardless of their race, ethnicity, beliefs or ability to pay.

So, call or stop in today to schedule a FREE brake inspection. If you should need brakes, not only will you save a lot of money, you'll be helping children and families in need.

I look forward to seeing you soon,

Mark Lowe

BUFFALO CHICKEN MAC AND CHEESE

This Buffalo chicken mac and cheese recipe is a Super Bowl Sunday must! Serve with celery sticks and beer.

Prep Time: 15 mins · Cook Time: 30 mins · Total Time: 45 mins · Servings: 8

INGREDIENTS

- 1 (16 Ounce) Package Elbow Macaroni
- 1 Rotisserie-Roasted Chicken
- 6 Tablespoons Butter
- 6 Tablespoons All-Purpose Flour
- 3 Cups Milk
- 1 Pinch Ground Black Pepper
- 2 Cups Shredded Cheddar Cheese
- 2 Cups Shredded Monterey Jack Cheese
- ½ Cup Hot Sauce, Or More To Taste
- ½ Cup Crumbled Gorgonzola Cheese

DIRECTIONS

1. Bring a large pot of lightly salted water to a boil. Cook macaroni in the boiling water, stirring occasionally until tender yet firm to the bite, about 8 minutes. Drain.
2. Cut wings and legs off rotisserie chicken. Remove skin and bones from wings and legs; chop or shred dark meat into bite-sized pieces.
3. Melt butter in a large Dutch oven over medium heat. Gradually whisk in flour until a thick paste forms. Cook until golden, about 1 minute.
4. Pour in milk, whisking constantly, until thickened and bubbling, about 5 minutes. Continue to cook and stir until sauce is smooth, about 1 minute more. Reduce heat and season with pepper.
5. Stir Cheddar and Monterey Jack into the sauce until melted and combined.
6. Stir in hot sauce to the desired level of spiciness.
7. Add Gorgonzola, chicken, and macaroni; mix well to combine.
8. Serve hot and enjoy!

TLC FOR THE ONE YOU LOVE... YOUR CAR!

Your car doesn't ask for much. It's always there for you, getting you where you need to go. A little extra care this Valentine's Day in the form of an oil change, tune-up & basic service is the perfect gift for the one who keeps you going.

- Schedule a tune-up annually to optimize your car's performance. A well-tuned engine delivers the best balance of power & fuel economy & produces the lowest level of emissions.
- Change the oil & filter per the owner's manual. Periodic oil & filter changes keep your engine clean on the inside.
- Check the tire pressure monthly, including the spare. Your car's tires affect its ride, handling, traction & safety.
- Have the alignment checked annually. A wheel alignment reduces tire wear, improves fuel economy & handling, & increases driving enjoyment & safety.
- Inspect the windshield wipers & lights on the car. Lights & wipers play a major role in safe driving, & they're normal wear items that need periodic replacement.

Treat your car to a little tender-loving auto care this Valentine's Day & beyond...and get ready to get loved right back!
