December 7th Pearl Harbor Remembrance Day

On Aug. 23, 1994, the United States Congress designated Dec. 7 as National Pearl Harbor Remembrance Day. Every year, remembrance events are held at the Pearl Harbor National Memorial, culminating in a commemoration ceremony on Dec. 7. Each year, Pearl Harbor Survivors, veterans, and visitors from all over the world come together to honor and remember the 2,403 service members and civilians who were killed during the Japanese attack on Pearl Harbor on December 7, 1941. A further 1,178 people were injured in the attack, which permanently sank two U.S. Navy battleships (the USS Arizona and the USS Utah) and destroyed 188 aircraft.

December 10th Nobel Prize Day

When Alfred Nobel's will was opened and read after his death, it caused a lot of controversy both in his homeland of Sweden and internationally. According to his will, Nobel's enormous fortune was to be used to establish prizes to award those who had done their best to benefit humankind in the fields of physics, chemistry, medicine, literature, and peace. His family opposed the creation of the Nobel Prize, and the prize awarders he named refused to do what he had requested in his will. It was five years after his death before the first Nobel Prize could be awarded in 1901. Today, Nobel Laureates are announced at the beginning of October each year. A couple of months later, on December 10, the anniversary of Alfred Nobel's death, they receive their prizes from the Swedish King – a Nobel diploma, a medal, and 10 million Swedish crowns per prize (\$1.145 million).

CLIENT OF THE MONTH
DOUG & COURTNEY HAYS
WE THINK YOU'RE AMAZING!

Thank You for the Kind Words!

"Wow, they went way above and beyond in diagnosing my Jetta TDI's problems. They even researched and contacted the VW dealer for a recall issue! I've been to several other high end shops and they never went that far to serve the customer! Call me Impressed!"
John Holmes, Bellevue

Holiday Humor

So funny even Santa will bust his gut laughing...

Q: What do you call an elf who sings?
A: A wrapper!

Q: What's the difference between the Christmas alphabet and the ordinary alphabet?
A: The Christmas alphabet has Noel.

Q: What do you call people who are afraid of Santa Claus?
A: "Claus"trophobic.

At the mall with Grandma a boy exclaimed, "Dear Santa, I WANT A NINTENDO SWITCH!" After a slight silence, the boy more forcefully proclaimed, "Dear Santa, I WANT A NINTENDO SWITCH!" Before Santa could even reply the boy shouted loudly, "Dear Santa, I WANT A NINTENDO SWITCH!" At this point, Santa's patience had worn thin. "Young man, it's not necessary to shout. Santa is not deaf!" "I know Santa," the boy replied, "you're not deaf... but grandmother is!"

A Christmas Carol, probably the most popular piece of fiction that Charles Dickens ever wrote, was published on December 19, 1843. Technically speaking, the book was published by Chapman & Hall. However, in an interesting turn of events, Dickens paid the publishing costs himself. A Christmas Carol was the most successful book of the 1843 holiday season. By Christmas it sold six thousand copies and it continued to be popular into the new year. Sadly, A Christmas Carol wasn't the moneymaker that Dickens hoped it would be. Sales were good, but the publication costs had been high. The book is as popular today as it was over 175 years ago.

LOW GAS PRICES + SIMPLE CAR CARE = MORE SAVINGS

With gas prices remaining low, motorists should take advantage of their savings and invest it back into their vehicles. By spending a little now to increase fuel efficiency, drivers can multiply fuel savings and save more money at the pump, says the non-profit Car Care Council. With the average cost of a gallon of gas remaining low at \$2.166, according to the U.S. Energy Information Administration, the Car Care Council encourages motorists to be car care aware and perform simple steps to improve fuel efficiency and save money.

- ENGINE PERFORMANCE:** Keeping your car properly tuned can improve gas mileage by an average of four percent.
- TIRE PRESSURE:** Keep tires properly inflated and improve gas mileage by up to three percent.
- MOTOR OIL:** Improve gas mileage by one to two percent by using the grade of motor oil recommended by the manufacturer.
- AIR FILTERS:** Replacing clogged air filters on older vehicles can improve fuel economy and will improve performance and acceleration on all vehicles.
- GAS CAP:** Replacing damaged, loose or missing gas caps will stop gas from vaporizing into the air.
- FIX IT:** Addressing a serious maintenance problem, like a faulty oxygen sensor, can improve mileage by as much as 40 percent, according to www.fueleconomy.gov. "A small investment in simple and inexpensive auto care will add up to better fuel economy. In addition, modifying driving habits, such as observing the speed limit and avoiding quick stops and starts, can also increase fuel efficiency," said Nathan Perrine, Executive Director of the Car Care Council. "Consolidating trips, avoiding excessive idling and removing unnecessary items from the trunk are also easy ways to lower fuel consumption."

The non-profit Car Care Council is the source of information for the "Be Car Care Aware" consumer education campaign promoting the benefits of regular vehicle care, maintenance and repair to consumers. For the latest car care news, visit the council's online media room at <http://media.carcare.org>.

December 24th National Eggnog Day

EGGNOG CHEESECAKE

• 1 cup graham cracker crumbs	• 3 tablespoons all-purpose flour
• 2 tablespoons white sugar	• 3/4 cup eggnog
• 3 tablespoons melted butter	• 2 eggs
• 3 (8 ounce) packages cream cheese, softened	• 2 tablespoons rum
• 1 cup white sugar	• 1 pinch ground nutmeg

1. Preheat oven to 325 degrees F (165 degrees C).
2. In a medium bowl combine graham cracker crumbs, 2 tablespoons sugar & butter. Press into the bottom of a 9-inch spring form pan.
3. Bake in preheated oven for 10 minutes. Place on a wire rack to cool.
4. Preheat oven to 425 degrees F (220 degrees C).
5. In a food processor combine cream cheese, 1 cup sugar, flour & eggnog. Process until smooth. Blend in eggs, rum & nutmeg. Pour mixture into cooled crust.
6. Bake in preheated oven for 10 minutes.
7. Reduce heat to 250 (130C) & bake for 45 minutes, or until center of cake is barely firm to the touch. Remove from the oven & immediately loosen cake from rim. Let cake cool completely before removing the rim.
