WE  OUR CLIENTS!

Can You Repair That Tire Puncture?

Tire punctures can only be repaired in the tread area and should not be over ¼" in diameter. For safety and longevity, a puncture should never be "plugged", but patched. This requires removing the tire from the wheel and thoroughly inspecting the tire for any hidden damage. If all is well, a patch can then be applied to seal the inner liner.

See You Soon! - Mark

CONGRATULATIONS!

Congratulations to our Mother's Day
Gift Basket Winner,
Stephanie Phillips!

CLIENT OF THE MONTH

July 2020 THINGS YOU AUTO KNOW...

Nothing Gives You a Feeling of American Pride Quite Like The Auto Industry!

In honor of Independence Day, here are 5 CrAzYy cool American car facts you may not have known about:

1. Back in the day, for a car to hit the one million mark in sales was considered a big deal! The Chevy Impala was the first to break that record in 1965! Did you know that the Impala's name derived from the Southern African Antelope?!
2. The first auto insurance policy was purchased in 1897 in Westfield, Massachusetts. Fender-benders are a common thing through history!
3. Windshield wipers were first introduced by Mary Anderson of Alabama in 1903. She noticed street car drivers had to open their windows when it rained in order to see and invented the solution! By 1916 windshield wipers became standard equipment on all American cars... Thanks, Mary!
4. In the year 1916, 55% of the cars in the world were Model T Ford, which is still an unbroken record!
5. The first car radio was invented by Paul Gavin from Chicago, IL in 1929. Rockin' out for over 90 years!

THANKS FOR YOUR KIND WORDS!

"Amazing experience! Quickly diagnosed the problem and got me back in my car in under 24 hours! I barely needed the free loaner car they gave me. Won't take my vehicles anywhere else!" — Timothy Stawniak, La Vista

Ice Cream Sandwich Cake

- 24 vanilla ice cream sandwiches, topped, warmed
- 1 (12 ounce) jar caramel unwrapped
- 1 (12 ounce) jar caramel ice cream topping
- 2 (8 ounce) containers whipped topping (such as Cool Whip®), thawed
- 1/4 cup chopped pecans, or to taste
- 1 (12 ounce) jar hot fudge ice cream

1. Arrange a layer of ice cream sandwiches in the bottom of a 9x13-inch dish; top with a layer of whipped topping, hot fudge topping, and caramel topping. Repeat layering with remaining ice cream sandwiches, whipped topping, hot fudge topping, and caramel topping, ending with a top layer of whipped topping. Sprinkle with pecans. Cover dish with aluminum foil and freeze until set, at least 30 minutes.
