Thank You for the Kind Words!

"ACCOMMODATING, THOROUGH, and TIMELY service professionals! I decided on using Yeck's service because of a word-of-mouth recommendation from a family friend. Now I know first-hand how accommodating, thorough, and timely they can be. The free loaner car was an absolute Godsend! But I didn't need it for long. Yeck's thoroughly diagnosed a problem I was having with my wiper system wiring, fuse, and switch; fixed two rear hub assemblies; a cracked sway bar and front brakes, and rotary assembly. Yeah, I'm literally driving the wheels off my old 2006 Saturn Vue. They kept me engaged at every step of the way and got on the job right away. They provided outstanding professional service and I'd highly recommend them to my friends and family. Thank you Yeck's team for adding a few more years of life to my old Vue! I appreciate you." - Best, Garry Floyd, Bellevue

October

About October...

October was originally the 8th month of the Roman calendar. It comes from the Latin word "octo" meaning eight. It became the 10th month when January & February were added to the Calendar. The Saxons called the month "Wintirfylith" because it had the first full moon of the winter season.

October Days & Dates:

- 10/5 - World Teachers' Day
- 10/5 - National Child Health Day
- 10/12- Columbus Day
- 10/16 - National Bosses Day
- 10/24 - United Nations Day
- 10/31 - Halloween

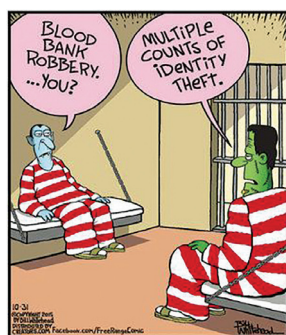

October Is....

- Italian American Heritage Month
- Polish American Heritage Month
- National Breast Cancer Month
- Country Music Month
- National Book Fair Month
- Family History Month
- National Pizza Month
- Adopt a Shelter Dog Month

October is...

National Computer Learning Month

October 16th HAPPY BOSS DAY!

Here's a few chuckles to help celebrate "National Bosses Day" on October 16th...

The Boss: "We need someone responsible for the job."

Job Applicant: "Sir, your search ends here! In my previous job whenever something went wrong, everybody said I was responsible!"

I got fired from the unemployment office on Friday. My boss said, "Clean out your desk, and I'll see you in the office on Monday."

I went for an interview for an office job today. The boss told me I'd start at \$2,000 a month and after 6 months I'd be at \$2,500 a month. I told him I'd start in 6 months.

The Boss: "Do you believe in life after death?"

Employee: "No, because there's no proof of it."

Boss: "Well there is now! Just after you left yesterday to go to your grandmother's funeral, she called the office looking for you!"

October 21st NATIONAL PUMPKIN CHEESECAKE DAY

PUMPKIN CHEESECAKE

- 2 (8 ounce) packages cream cheese, softened
- 1/2 cup white sugar
- 1/2 teaspoon vanilla extract
- 2 eggs
- 1 (9 inch) prepared graham cracker crust
- 1/2 cup pumpkin puree
- 1/2 teaspoon ground cinnamon
- 1 pinch ground cloves
- 1 pinch ground nutmeg
- 1/2 cup frozen whipped topping, thawed

1. Preheat oven to 325 degrees F (165 degrees C).
2. In a large bowl, combine cream cheese, sugar and vanilla. Beat until smooth. Blend in eggs one at a time. Remove 1 cup of batter and spread into bottom of crust; set aside.
3. Add pumpkin, cinnamon, cloves and nutmeg to the remaining batter and stir gently until well blended. Carefully spread over the batter in the crust.
4. Bake in preheated oven for 35 to 40 minutes, or until center is almost set. Allow to cool, then refrigerate for 3 hours or overnight. Cover with whipped topping before serving.

OCTOBER 31ST HAPPY HALLOWEEN!

Like most events and holidays that have taken place amid the COVID pandemic, Halloween is going to look a lot different this year. Given the nature of the virus, parents are likely beginning to wonder what safety measures they should take this year.

"There's a whole spectrum of things to consider," said Dr. Jean Moorjani, a board-certified pediatrician at Orlando Health Arnold Palmer Hospital in Florida. "The most important thing is that families decide together what level of risk they're OK with this Halloween."

If making the most of Halloween is at the top of your family's to-do list, read on to see what you should be aware of in the makeshift horror film that is 2020.

IS IT SAFE TO LEAVE A BOWL OF CANDY OUT THIS YEAR?

Although families might be apprehensive when it comes to handing out goodies, Dr. Moorjani offered some tips for doing so safely. "If a family is participating and handing out candy, they should designate one person to do so. Don't get the kids involved in the process this year, for example. It's also probably safer if one person is passing out candy instead of a bunch of kids reaching into a candy bowl."

SHOULD KIDS WEAR GLOVES ON HALLOWEEN?

While parents should certainly have their kids wear face masks while collecting candy, they can skip the gloves this year. "Just do your best, wash your hands, and use hand sanitizer before you take the candy," said Dr. Moorjani, who explained that gloves work best when you can change them regularly.

SHOULD PARENTS SANITIZE THEIR KIDS HALLOWEEN CANDY?

"The transmission of the coronavirus on surfaces is low," explained Dr. Moorjani. "If you feel really inclined to sanitize your children's Halloween candy, go for it! However, if you're one of those people who feels the need to seriously sanitize everything, it may be best to buy your own Halloween candy and just give it your kids."

WHAT SHOULD PARENTS BRING WHEN TAKING THEIR KIDS TRICK-OR-TREATING?

Of course, parents who take their children trick-or-treating should bring hand sanitizer and require their little ones to wear masks. Dr. Moorjani wants to remind people "... a lot of us are used to wearing masks already, so maybe this Halloween, kids decorate one of their masks and have that be a part of their costume. Parents should also bring flashlights, glow sticks, or any reflective material, so that they're visible if they're trick-or-treating after dark. Halloween is also a great time to remind families about getting their flu shots!"

October Is Fall Car Care Month!

Getting your vehicle ready for winter while temperatures are still mild is a proactive approach to preventive maintenance that helps ensure safety, reliability & fewer unexpected repairs when severe winter weather strikes. The non-profit Car Care Council recommends 10 basic maintenance procedures during Fall Car Care Month in October to keep your vehicle operating at its best.

1. Check all fluids, including engine oil, power steering, brake & transmission, as well as washer solvent & antifreeze.
2. Check the hoses & belts to make sure they are not cracked, brittle, frayed, or loose.
3. Check the battery & replace if necessary. Make sure connections are clean, tight & corrosion-free.
4. Check the brake system annually & have the brake linings, rotors & drums inspected at each oil change.
5. Inspect the exhaust system for leaks, damage & broken supports/hangers.
6. Check engine performance to make sure it is delivering the best balance of power & fuel economy & producing the lowest level of emissions.
7. Check the heating, ventilating & air conditioning (HVAC) system as proper performance is critical for interior comfort & for safety reasons such as defrosting.
8. Inspect the steering & suspension system including shocks, struts, chassis parts & other related components.
9. Check the tires, including tire pressure & tread wear.
10. Check the wipers & lighting so that you can see and be seen.
