WE OUR CLIENTS!

Windshield wiper blades are a pretty mundane topic, but an important safety system that is often neglected (you wouldn't believe what we see in the shop). You should think about maintaining safety — not just responding when your wiper blades fail: how many times have you been caught off-guard by the first storm with a streaky windshield you can barely see out of? Wiper blades live outside the vehicle, exposed to heat and sun in the summer and cold and ice in the winter. It's no wonder that they get dry, brittle and torn. We recommend inspecting wiper blades at every maintenance interval and replacing them once a year — before they're so damaged that they don't work. You should always have wiper blades that can get the job done!

Special Thanks! 7TH ANNUAL GOLF FOR VETS OUTING

Despite the challenges this year due to COVID-19, we were able to host our 7th Annual NAPA AutoCare Centers **Golf for Vets** event. Thanks to our own Mark Lowe for organizing and hosting this amazing event to benefit the Eastern Nebraska Veterans Home & the Disabled American Vets Chapter 47. Mark, a Navy Veteran, has nurtured & grown this event over the last 7 years. Without him, his dedication & hard work, this event would not be possible. **AND** also a **BIG** Thank You to NAPA & Brent Hennings -- they always take such great care of us! Thank you to all the sponsors -- we appreciate your support for our local Veterans. Thank you to all the volunteers -- what an outstanding job you guys do! And of course, thanks to all that participated. Through your generosity we were able to raise over \$9600 this year to benefit our local Veterans! **This event continues to grow -- to date we've raised over \$37,100 for our local Veterans!** See you next year!

THINGS YOU AUTO KNOW...

September is National Little League Month!

Do you know when National Little League Month is celebrated? Even though you may have played some form of little league in your youth, many people do not realize the month of September has been declared National Little League Month. If you guessed August is National Little League Month, you're not alone. Since the Little League World Series is played during August, many people make that assumption. Here is some interesting trivia about Little League Baseball:

In 1939, Little League Baseball was founded in Pennsylvania. Who is the founder of the league? Mr. Carl E. Stotz organized neighborhood youngsters in Williamsport, Pennsylvania to play baseball in 1938, but in 1939 he enlists other community members to help him and Little League Baseball was born. The Little League World Series has been around for seven decades. The first was played in 1947. In 1974 the Charter was amended allowing girls to play Little League Baseball. During that time, how many girls have played in the series? The answer may surprise you. Counting the 2014 Little League World Series, 19 girls have participated at the upper level tournament. Many professional ball players participated in Little League as youngsters, but who was the first Little League player to later become President of the United States?

The first Little League graduate to be elected President of the United States was George W. Bush, son of former President George Bush.

According to LittleLeague.org, in 1955 nine-year-old George W. Bush plays his first of four years at Central Little League of Midland, Texas, where he is a catcher on the Cubs.

Grandmother's Buttermilk Cornbread

- 1/2 cup butter
- 1/2 teaspoon baking soda
- 2/3 cup white sugar
- 1 cup cornmeal
- 2 eggs
- 1 cup all-purpose flour
- 1 cup buttermilk
- 1/2 teaspoon salt

1. Preheat oven to 375 degrees F. Grease an 8 inch square pan.
2. Melt butter in large skillet. Remove from heat and stir in sugar. Quickly add eggs and beat until well blended. Combine buttermilk with baking soda and stir into mixture in pan. Stir in cornmeal, flour, and salt until well blended and few lumps remain. Pour batter into the prepared pan.
3. Bake in the preheated oven for 30 to 40 minutes, or until a toothpick inserted in the center comes out clean.
