OCTOBER IS FALL CAR CARE MONTH!

October Car Safety Tips to Stay Safe on the Road this Fall:

- **Check Your Lights:** As days get shorter, ensure all your lights (headlights, brake lights, and turn signals) are working properly.
- **Inspect Your Tires:** With wet leaves and changing weather, make sure your tires have adequate tread and are properly inflated for better grip.
- **Watch for Wildlife:** Autumn is a time when deer are more active. Stay vigilant, especially during dawn and dusk.
- **Keep an Emergency Kit:** Include essentials like a flashlight, first-aid supplies, and warm blankets in case of unexpected situations.
- **Replace Wiper Blades:** With increased rain, ensure your wipers are in good condition and replace them if necessary.
