Things You Auto Know...

We ♥ Our Clients!!

Is Your Car Ready for that Summer Road Trip?

Summer is right around the corner and people are anxious (now more than ever) to get back on the road... so is your car really safe? We get asked this a lot and here are some things that you can look at yourself before you pack up the family and head out:

- Check the Tires:** Properly inflated? Any tread left (bald)? Uneven wear? Age? Weather cracking in tread and sidewalls?
- Check the Lights:** You need to make sure that your taillights, brake lights, turn signals, and headlights work. Are the headlight lenses cloudy?
- Look for Leaks:** Anything on the ground where you've been parking? What color is it?
- Check your Wipers:** Are they torn? Are they streaky? Remember to check the rear one, too!
- Investigate Warning Lights:** If there are any warning lights on it probably means there's something wrong and needs attention!
- Inspect the Battery:** How old is it? Average life is 3-5 years. Any corrosion present? Can it still be serviced? Add distilled water only!
- Check Belt(s) & Hoses:** How old are they - over 60K on them? Cracking? Leaking?
- Check All the Fluids You Can:** You know what to do here!

Well, how does your car measure up?

See You Soon! - Mark

HAPPY MEMORIAL DAY!

HONORING THE MEMORY OF SERVICE MEMBERS AND THEIR FAMILIES WHO HAVE SACRIFICED TO PROTECT THE FREEDOM WE ENJOY.

MAY 6TH - THE NATIONAL DAY OF PRAYER

An annual day of observance held on the first Thursday of May, designated by the United States Congress, when people are asked "to turn to God in prayer and meditation". The president is required by law to sign a proclamation each year, encouraging all Americans to pray on this day.

The modern law formalizing its annual observance was enacted in 1952, although earlier days of fasting and prayer had been established by the Second Continental Congress from 1775 until 1783, and by President John Adams in 1798 and 1799. The constitutionality of the National Day of Prayer was unsuccessfully challenged in court by the Freedom From Religion Foundation after their first attempt was unanimously dismissed by a federal appellate court in April 2011. So, regardless of your beliefs, why not say a prayer of thanks for all the blessings we do have, especially in today's trying times?

MAY 9TH - MOTHER'S DAY

Mother's Day is observed in different forms throughout the world, & Mother's Day 2019 occurs on Sunday, May 12, in the United States. The American incarnation of Mother's Day was created by Anna Jarvis in 1908 & became an official U.S. holiday in 1914. Jarvis would later denounce the holiday's commercialization & spent the latter part of her life trying to remove it from the calendar. While dates & celebrations vary, Mother's Day traditionally involves presenting moms with flowers, cards & other gifts.

DID YOU KNOW?

More phone calls are made on Mother's Day than any other day of the year. These holiday chats with Mom often cause phone traffic to spike by as much as 37 percent!

MAY 12TH - INTERNATIONAL NURSE'S DAY!

Organized annually by the International Council of Nurses (ICN), International Nurses Day celebrates the contribution that nurses make to societies around the world. The date of May 12th has strong significance, being the birthday of perhaps the world's most famous nurse, Florence Nightingale.

Alongside the encouragement of fully deserved congratulations owed to nurses, the organization also produces an International Nurses Day Kit to educate and assist health workers around the world, with a different theme each year. The ICN has chosen the theme "Nurses: A Voice to Lead – a Vision For Future Healthcare" for International Nurses Day 2021! For more info visit www.icn.ch.

Thanks for the Kind Words!
