**BRAKES  
FOR  
KIDS**

*Together We Can Make a  
Difference... for the Rest of a Child's Life!*

As you all know, we at Yeck's Tire & Auto have a special spot in our hearts for our local Military Veterans with our donations to the Eastern Nebraska Veterans Home and the Disabled American Vets Chapter 47. We raise the majority of those funds through our annual golf tournament, which by the way, our 9th Annual Tournament will be held again this year in August. This year we would like to add another foundation to our donation list. We are going to run a FREE BRAKE Promotion this February and March that will benefit St. Jude Children's Research Hospital. The details of this promotion are included in this newsletter. PLEASE join us in helping this OUTSTANDING organization that helps kids and their families through their battles with all types of childhood cancers. The details of this promotion are in this newsletter. If you do not need any brake work, feel free to come down and make a donation to help our cause and we will make sure it gets to them.

Thank you for your continued support and See You Soon! - Mark Lowe

## WHEN WAS VALENTINE'S DAY FIRST CELEBRATED?

From February 13 to 15, ancient Romans celebrated the feast of Lupercalia. Many believe that the origins of Valentine's Day can be traced back to this ancient fertility festival. To mark the occasion, Roman men sacrificed goats before using their skins to whip women in the belief that this would make them fertile. Some historians have argued that at the end of the 5th century, Pope Gelasius I declared February 14 to be Valentine's Day in an attempt to reclaim this festival from the Romans and Christianise it.

It's not clear which Saint Valentine this day was initially dedicated to either, as two saints with this name share the feast day of February 14. Both of these saints were martyred in Rome; Valentine of Terni in around AD 197 and Valentine of Rome in around AD 496.

## TOTALLY TRIFLING TRIVIA

**WHO IS THE ONLY U.S. PRESIDENT TO RECEIVE THE MEDAL OF HONOR?**

**THEODORE ROOSEVELT**

Assistant Secretary of the Navy Theodore Roosevelt quit his job when the Spanish-American War broke out. He left to lead a regiment of volunteers calling themselves the Rough Riders. "Teddy" and his regiment played an important part in the Battle of San Juan Hill and took part in other operations in Cuba. Nominated in 1916 for the Medal of Honor, the Army cited a lack of evidence for his reported heroism at San Juan Hill. He received the decoration posthumously in 2001. Source: History.com
