# MARCH 2022 CLIENT NEWSLETTER

## BRAKES FOR KIDS

Dear Neighbor,

From February 1, 2022, through March 31, 2022, get FREE brake pads or shoes with any brake repair. Even better, 10% of the brake repair costs are donated to benefit St. Jude Children's Research Hospital®.

St. Jude Children's Research Hospital®, located in Memphis, Tennessee, is one of the world's premier pediatric cancer research centers. The mission of St. Jude is to advance cures, and means of prevention, for pediatric catastrophic diseases through research and treatment. Consistent with the vision of founder Danny Thomas, no child is denied treatment based on race, religion, or a family's ability to pay.

So, call or stop in today to schedule a FREE brake inspection. If you should need brakes, not only will you save a lot of money, you'll be helping children and families in need.

I look forward to seeing you soon,

*Mark Lowe*

## International Women's Day

International Women's Day (March 8) is a global day celebrating the social, economic, cultural, and political achievements of women. The day also marks a call to action for accelerating women's equality.

This year's campaign theme: #BreakTheBias  
Imagine a gender equal world.  
A world free of bias, stereotypes, and discrimination.  
A world that is diverse, equitable, and inclusive.  
A world where difference is valued and celebrated  
Together we can forge women's equality.  
Collectively we can all #BreakTheBias.

### Thanks for the Kind Words!

"This was my first visit at Yeck's auto. I was very pleased with the friendly & knowledgeable staff. I was able to get a loaner car so I could take care of other things. I appreciate the honesty of the technicians to evaluate my van's brakes & possible upcoming issues. They advised that nothing needed to be done at this time & what to watch for if a problem develops. Too many places try to sell more than what's needed. The price was fair for my oil change with full synthetic oil. I will definitely continue to use Yeck's for my future auto maintenance & will recommend them to others. Thank you for your great service!" - Janet L., Bellevue

## MANAGER'S MINUTE

Flats, blow outs, skids and longer stopping distances can all be the result of driving around on underinflated tires. It's hard to tell when a radial tire is underinflated -- the tire may not look low until it gets below 20 psi -- which is significantly underinflated and unsafe.

Most vehicles today are equipped with a tire pressure monitoring system (TPMS). Race car drivers have been using this technology for years. They are able to head off dangerous under inflation problems by closely monitoring tire pressure on the track.

Numbers show that TPMS technology saves lives -- have your tire pressures checked regularly and if that TPMS light comes on, find out why ASAP! And while we are checking your tires and sensors, ask us for the free brake inspection we perform and the "Brakes for Kids" promotion we are running.

Thank you for your continued support and See You Soon! - Mark Lowe

## Corned Beef & Cabbage

### Ingredients

- |                                    |   |
|------------------------------------|---|
| • 4 1/2 pounds corned beef brisket | • 1 pinch salt                                  |
| • 5 black peppercorns              | • 1 small head cabbage, cored & cut into wedges |
| • 1/2 teaspoon garlic powder       | • 6 large potatoes, quartered                   |
| • 1 onion, peeled & left whole     | • 4 large carrots, peeled & sliced              |
| • 2 bay leaves                     | • 1/4 cup chopped fresh parsley                 |
|                                    | • 2 tablespoons butter                          |

### Directions

- 1.) In a 6-qt Dutch oven, place the beef brisket, peppercorns, garlic powder, onion, bay leaves & salt. Fill pan with water to cover everything plus one inch.
- 2.) Bring to a boil & cook for 20 minutes. Skim off any residue that floats to the top. Reduce heat to a simmer & cook for 2-to-3 hours, until meat can be pulled apart with a fork.
- 3.) Once the meat is done, add the cabbage, potatoes & carrots, pressing them down into the liquid. Simmer for an additional 15 minutes or until the potatoes are tender.
- 4.) Skim off any oil that comes to the surface. Stir in the butter & parsley. Remove the pot from the heat.
- 5.) Remove meat from the pot & place onto a serving dish and let rest for 15 minutes. Also remove vegetables to a bowl & keep warm. Slice meat on the diagonal against the grain. Serve meat on a platter & spoon juices over meat & vegetables.
