## Manager's Minute

As I think about Mother's Day while writing this, I cannot stop thinking about where I would have ended up had it not been for my "Mom". While she passed 22 years ago, she is always on my mind as I ask if she would approve on what I am doing at the time. While researching for this article I found this poem by Patrick O'Reilly;

Wonderful Mother by Patrick O'Reilly

"God made a wonderful mother, / A mother who never grows old; / He made her smile of the sunshine. / And He molded her heart of pure gold; / In her eyes He placed bright shining stars, / In her cheeks fair roses you see; / God made a wonderful mother, / And He gave that dear mother to me."

Thank you mom for all the love and support you gave not only me, but to everyone that touched your life.

Happy Mother's Day to all of the Mom's out there!

Thank you for your continued support and See You Soon! - Mark Lowe

## ARE YOU DRIVING AN UNSAFE CAR? WHAT YOU NEED TO KNOW ABOUT RECALLS...

Only you can protect your family or yourself from defective or non compliant vehicles or equipment that could pose a threat to your safety. Learning how to check for recalls is the first important step, and the next is knowing how to get your recall fixed for FREE.

### WHAT IS A VEHICLE RECALL?

A vehicle safety recall is just that—bringing an unsafe vehicle to a dealership to resolve a safety problem when a manufacturer or NHTSA determines that a vehicle or piece of equipment has a safety-related defect or does not comply with federal standards. Manufacturers are required to fix the problem by repairing it, replacing it, offering a refund, or in rare cases, repurchasing the vehicle.

### CHECKING FOR RECALLS

If your vehicle is currently under recall, you should receive a notice in the mail from your vehicle's manufacturer. If you're worried about missing a notice, you can also stay up to date on recalls by signing up for notification emails.

But you don't need to wait for a notification to find out if your vehicle is under recall. Visit <https://www.NHTSA.gov/recalls> and enter your VIN to see if your vehicle is under recall. You can also use NHTSA's website to check on vehicle-related products, such as car seats, tires, or equipment.

Not sure where your VIN is? Look on the lower left of your vehicle's windshield. It is 17 characters long. Your VIN is also located on your vehicle registration card, and it may be shown on your insurance card too.

### GET THE REPAIR (FOR FREE!)

If your vehicle is under recall, follow any interim safety guidance provided by the manufacturer and contact your local dealership to get the FREE recall repair.

If you think your vehicle or equipment could have a safety defect, reporting it to NHTSA is important. You can report any suspected safety defects to NHTSA by visiting [www.NHTSA.gov/recalls](http://www.NHTSA.gov/recalls), or by calling NHTSA's vehicle safety hotline (888-327-4236 or 800-424-9393 toll-free from anywhere in the United States, Puerto Rico, and the Virgin Islands).

With safer drivers and safer cars, we'll have safer roads—and your efforts can help save lives!

By James C. Owens, Deputy Administrator, National Highway Traffic Safety Administration (NHTSA)

## DID YOU KNOW....

### WHEN DID MOTHER'S DAY BECOME AN OFFICIAL U.S. HOLIDAY?

Holding celebrations to honor mothers is traceable back to the ancient Greeks & Romans. They held annual festivals in honor of the mother goddesses Rhea & Cybele. The celebration closest to modern times that may have spawned what's become traditional Mother's Day is the early Christian celebration known as "Mothering Sunday." The holiday originally fell on the 4th Sunday in Lent in the U.K. & parts of Europe. The custom faded over time eventually re-emerging in popularity as the American Mother's Day in the 1930s & 1940s. It was officially declared a U.S. holiday in 1914!

## HAPPY CINCO DE MAYO!

Cinco de Mayo, or the fifth of May, is a holiday that celebrates the date of the Mexican army's 1862 victory over France at the Battle of Puebla during the Franco-Mexican War. The day, which falls on Thursday, May 5 in 2022, is also known as Battle of Puebla Day. While it is a relatively minor holiday in Mexico, in the United States, Cinco de Mayo has evolved into a commemoration of Mexican culture and heritage, particularly in areas with large Mexican-American populations.

## NATIONAL BIKE MONTH

### MAY IS NATIONAL BIKE MONTH...

## GET OUT & RIDE!

### Thanks for the Kind Words!

"I felt like I was quickly recognized as part of the 'family' by Mark as he immediately checked out my car and fit it into the schedule. He took note of my concerns and pursued options to address the car's issues without jumping to conclusions about the cause. He ensured I had a loaner car as well. The commitment to integrity when doing the work was evident as well as the likely cost of the work was going to be well over \$1000 but the repair turned out to be far less costly."

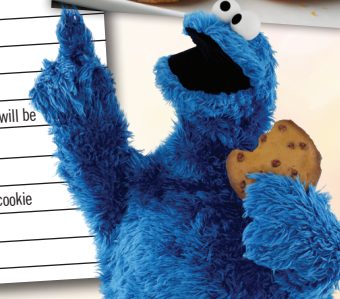

Tim F., Bellevue.
