### REFERALLS

Mark L., Tim F., Janet P., Krista M., Jeannie B., Dan P. & Matt B. "Thank You! We Could Not Do It Without You!

## THANKS FOR THE KIND WORDS

"I've been using Yeck's for my oil changes for about 2 years. I love their 51-point check while doing the oil change. They always do a great job. During my last oil change, they discovered that my transmission lines had a slight leak. Megan worked with the extended warranty company to get the bulk of the cost covered by the warranty. She spent 2 hours on hold with them to get the approval. Thanks, Megan! The guys were able to get it fixed and ready for me before 4 pm the same day. Thank you, guys! I recommend Yeck's to other people looking for honest, reliable auto work." - Janet L., Bellevue, NE.

Chances are, your car is the second-largest investment next to your home. October is Fall Car Care Month, and the message is simple: 'Take care of your car, and your car will take care of you.' Be proactive, not reactive. Care for it on a regular, scheduled basis, and it will deliver the greatest return on investment by performing safely and dependably for you and your family, especially when you really need it.

On another note, the numbers are in from our annual 'Golf for Vets' tournament. We were able to raise \$18,392.04 to split between the DAV Chapter 47 and the Eastern Nebraska Veterans Home. Both entities were extremely gracious and appreciative of the donations. I know they will be put to good use in supporting our Veterans. Thank you to all who participated. Stay tuned for exciting news about next year's event!

See you soon! - Mark

Veterans Chapter 47.

# DEFENSIVE DRIVING IN HEAVY TRAFFIC

The upcoming holiday season is a wonderful time to hit the road for a visit with family and friends. But it often means long drives in heavy traffic. To help you stay safe on the road, here's a list of defensive driving tips to prepare you for the drive.

### **PLANNING: THE FIRST LINE OF DEFENSE**

According to the National Safety Council (NSC), defensive driving means taking reasonable action to prevent a collision. Defensive driving starts before you even get on the road. Checking weather and road conditions in advance helps you plan a route and know what to expect along the way. It's also important to pack the car with basic supplies. A first aid kit, flares, snacks and blankets ensure you're ready for emergencies on long drives.

It's important to stay alert and learn to spot and avoid hazards using these NSC-approved tips.

- Check your mirrors every three to five seconds and continuously scan ahead for possible
- Always give the right of way to fellow motorists but be prepared to react to unexpected lane changes and turns.
- Keep a safe distance from other vehicles and give yourself ample response time.
- Look for signs of impaired, distracted and even aggressive driving.

### **COLLISION-PROOF YOUR DRIVE:**

The NSC has identified six unsafe driving behaviors that most often lead to collisions.

- Improper speed. Keep a close eye on both the posted speed limit and weather conditions.
- Violating right of way. To make sure you're yielding properly and following all traffic signals and stop signs, drive at an appropriate speed to give yourself time to react.
- Driving left of center. Slow down and stay behind cyclists or pedestrians until it's safe to pass them, and watch the road ahead for animals or other obstacles so you can safely steer around them.
- Turning improperly. Always use turn signals to let other drivers, pedestrians and cyclists know where you're going.
- Passing improperly. When passing, be sure to use your turn signals and check your blind spots, as well as in front of and behind your vehicle.
- Following too closely. Give yourself at least three seconds of distance between your own vehicle and the one ahead. If someone is tailgating you, don't speed up! Maintain your speed and move over to let him or her pass if and when it is safe to do so.

# CHOCOLATE BILLIONAIRES

Get ready to rave about these easy to make chocolate and caramel candies!

• Prep Time: 45 min. + chilling • Makes: about 2 pounds

### Ingredients

- 1 package (14 ounces) caramels
- · 3 tablespoons water
- 1-1/2 cups chopped pecans
- 1 cup Rice Krispies
- 3 cups milk chocolate chips
- 1-1/2 teaspoons shorten

1. Line 2 baking sheets with waxed paper; grease the paper and set aside. In a large heavy saucepan, combine the caramels and water; cook and stir over low heat until smooth.

Stir in pecans and cereal until coated. Drop by teaspoonfuls onto prepared pans. Refrigerate for 10 minutes or until firm.

2. Meanwhile, in a microwave, melt chocolate chips and shortening; stir until smooth. Dip candy into chocolate, coating all sides; allow excess to drip off. Place on prepared pans.

Refrigerate until set. Store in an airtight container.

## THANK A TEACHER TODAY!

World Teacher's Day is celebrated annually on October 5th. This is a day to honor teachers & teacher organizations, as well as the vital contributions they make to the education & development of our future leaders. More than 100 different countries observe this holiday. So, yes... thank a teacher today!
