"Yeck's did a great job working with State Farm's
main office, and my insurance agent. Megan was
on the phone daily making sure State Farm knew
what needed to be done, and keeping the cost very
reasonable. She called me daily with updates and
kept myself and State Farm up to date on the repair
progress. I highly recommend Yeck's Tire and Auto to
anyone needing tires and vehicle repairs."

MANAGER'S MINUTE

As everyone knows, we gave away a 4-burner flat top griddle for Father's Day. Well, this year's winner, Roy T., decided that it was a little too much of a grill for him to use and decided to donate it back and asked for it to be raffled off with the funds raised going to benefit the Eastern Nebraska Veterans Home and the Disabled American Vets Chapter 47.

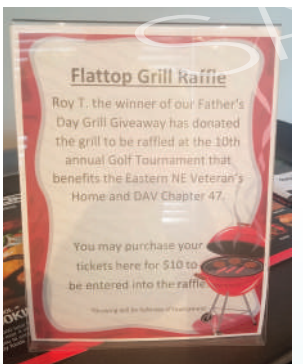

This is why I am truly amazed with how caring and considerate our clients are. We really do have the "BEST CLIENTS" around. Thank you, Roy T.!!

We will be selling tickets for \$10.00 each and will draw the winner at our annual "Golf for Vets" tournament on August 4th.

Stay tuned to our Facebook page for further information.

LEARN THE ABC'S OF CAR CARE

Back-to-school season is the ideal time to review your ABCs; the ABCs of car care, that is. The Car Care Council recommends that motorists brush up on their auto care knowledge to make sure their vehicle is operating at its most efficient level before the school year commences and the onset of fall and winter weather.

The ABCs of basic car care include:

- **A** – Always follow a vehicle service schedule.
- **B** – Be sure to have your car inspected when you suspect there is a problem.
- **C** – Correct the problem to help avoid the inconvenience and potential safety hazards of breaking down away from home.

“By following these three basic car care tips, motorists can address minor issues before they become more complicated and more expensive repairs,” said Nathan Perrine, executive director, Car Care Council. “The ‘Five Point Check-Up’ featured in our back-to-school video offers valuable maintenance and safety tips that will help families get their vehicles ready for transportation needs during the school year.”

Produced in conjunction with AutoNetTV Media, the Car Care Council’s informative video entitled “Back to School Tips” can be viewed at www.youtube.com/watch?v=gaW4Q7yt1QY. Motorists can also visit www.carcare.org to view the popular 80-page Car Care Guide and sign up for the council’s free personalized service schedule and email reminder service. To order a free copy of the popular Car Care Guide, visit the council’s consumer education website at www.carcare.org.

HAPPY WOMEN’S EQUALITY DAY

Women’s Equality Day is celebrated in the United States on August 26th to commemorate the 1920 adoption of the 19th Amendment to the Constitution, which prohibits the states & federal government from denying the right to vote on the basis of sex.
