CLIENT OF THE MONTH

Will Schmidhuber

"We Think You Are AWESOME!"

THANKS FOR THE KIND WORDS!

"Yeck's replaced 4 run-flat tires for me. Fast, courteous, and quality work. They provided a complimentary vehicle inspection as well and will do future tire rotations at no cost. They also provided me with a ride to and from a shopping location while the work was being done. I highly recommend their services."

- Rebecca S., Plattsmouth NE.

MANAGER'S MINUTE

In last month's Manager's Minute, I had talked about our 11th Annual "Golf for Vets" tournament. Well, the numbers are in!! We raised \$25,684.94 to be split between the Eastern Nebraska Veteran's Home and the Disabled American Veterans Chapter 47. That puts us at a total raised to date of \$113,684.94. I cannot express enough gratitude to everyone that helps us get this tournament organized and put on. As a retired Navy SEABEE veteran myself, I also cannot tell you how proud I am to be able to be included in putting this event on every year to help these 2 organizations accomplish their missions of taking care of our nation's veterans. Looking forward to bigger and better things next year!!

See you soon,

Mark

OCTOBER IS BREAST CANCER AWARENESS MONTH

AWHAT IS BREAST CANCER AWARENESS MONTH?

Breast Cancer Awareness Month is an international health campaign that's held every October. The month aims to promote screening and prevention of the disease, which affects 2.3 million women worldwide. Known best for its pink theme color, the month features a number of campaigns and programs — conducted by groups ranging from breast cancer advocacy organizations to local community organizations to major retailers — aimed at:

- Supporting people diagnosed with breast cancer, including those with metastatic breast cancer
- Educating people about breast cancer risk factors
- Encouraging women to go for regular breast cancer screening starting at age 40 or earlier, depending on personal breast cancer risk
 - Fundraising for breast cancer research

HA HA HALLOWEEN

Q. Who did the ghost take on a date?
A. His ghoul-friend.

Q. Why wouldn't the ghost dance at the party?
A. He had no body to dance with him.

Q. How do you know if a mummy is sick?
A. He can't stop coffin.

Q. What kind of underwear do mummies buy?
A. Fruit of the tomb.

Q. What did the mummy film director say?
A. That's a wrap.

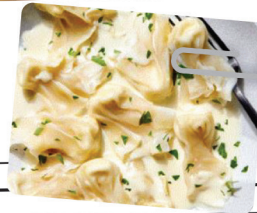

Q. Why did the vampire read the newspaper?
A. He heard it had great circulation.

Q. What's it like to be kissed by a vampire?
A. It's a pain in the neck.

GHOST PURSE RAVIOLI

Looking for something delicious that's only a little bit spooky this Halloween? Try these adorable raviolis filled with ricotta, Parmesan, and finely chopped pear. They're made from wonton wrappers, rather than pasta dough, to make them scary easy on you!

Yields: 4 - 6 serving(s) Prep Time: 10 mins Total Time: 1 hr 10 mins

Ingredients

- ½ c. Whole-milk ricotta
- ¼ c. Grated parmesan
- 2 Tbsp. Finely chopped peeled or unpeeled pear
- ½ tsp. Kosher salt
- Pinch of grated fresh nutmeg
- 1 Large egg
- 1 (12-oz.) Package wonton wrappers
- 1 c. Heavy cream
- ½ c. Grated parmesan, plus more for serving
- ¼ tsp. Kosher salt, plus more
- Chopped fresh parsley, for serving (optional)

Directions

1. In a large bowl, mix ricotta, parmesan, pear, salt, and nutmeg. In a small bowl, whisk egg with a splash of water.
2. Arrange wrappers on baking sheets and brush with egg wash. Spoon about 1/2 teaspoon filling in the center of each wrapper.
3. Gather sides of wrapper and press together to form a shape that resembles a ghost. Repeat with remaining filling and wrappers. Freeze at least 30 minutes or up to 2 weeks.
4. In a medium skillet over medium-high heat, bring cream to a simmer. Cook, stirring occasionally, until slightly thickened, 1 to 2 minutes. Reduce heat to low and whisk in parmesan and salt until cheese melts.
5. Bring a large pot of salted water to a bare simmer. Working in batches, drop in ravioli and cook until they float and turn slightly translucent, 2 to 3 minutes (it helps to take one out and test to see if they're al dente).
6. Pour some sauce on a platter. Using a slotted spoon, transfer ravioli to platter. Continue to layer ravioli and sauce. Sprinkle with more parmesan and parsley, if using, before serving.

OCTOBER IS FALL CAR CARE MONTH!

There's a month for bikes, a month for pets and a month for yoga. But when it comes to your car? One month just isn't enough. National Car Care Month comes around twice a year, every October and April. These months bring attention to the importance of regular preventative car maintenance and care during times when it's most critical to do so. October is an excellent time to check on any wear and tear incurred over the past months and prepare your vehicle for winter.

CAR CARE TIPS

1. **CHECK TIRES** - This includes checking tire pressure and the wear on your treads, as well as looking for any cuts or other damage. Any tires exhibiting significant wear or damage should be replaced. You should also have your wheels aligned at least once a year.
2. **CHANGE OIL** - An oil change is another standard piece of maintenance you can attend to during National Car Care Month. With the advent of modern lubricants, it's recommended that most vehicles get their oil changed every 5,000 – 7,000 miles.
3. **CHECK BRAKES** - Your brakes need to be checked on a regular basis, too. Your brakes' rotors, linings, and drums should be inspected with every oil change your car receives.
4. **CHECK FLUIDS** - There are a slew of various fluids that need to be checked when you bring your car in for servicing. Make sure your brake, transmission, power steering, coolant and windshield washer fluids are all checked and refilled where necessary.
5. **ROUTINE MECHANIC VISIT** - A routine visit to your mechanic can be the difference between deciding what to do at your destination and deciding what to do now that your car's broken down. Use National Car Care Month as an opportunity to schedule an appointment and take care of any preventative maintenance before major problems can occur.
6. **IN GENERAL** - When the days start to get shorter, you lean more heavily on your headlights while driving in the fall. Check and replace your bulbs where necessary to ensure your beams stay bright this fall. Wet fallen leaves can also turn road conditions slippery in the fall, so checking in on your tires isn't a bad idea either. Your battery should also get an evaluation to ensure it's ready for colder weather and the possibility of extra driving from school starting.

THE IMPORTANCE OF CARING FOR YOUR CAR

Next to observing safe driving practices, caring for your car with proper maintenance is one of the most important ways you can protect yourself as a driver. A poorly maintained car is a risk to you, your passengers and every driver you encounter on the road. A well-maintained car keeps you and everyone around you safe and will end up saving you a pretty penny on costs like towing, repairs and accident-related costs.

Free TIMING BELT

It's crucial that your car's TIMING BELT be replaced at or before the manufacturer's recommended interval. A broken timing belt can leave you stranded and, in many cases, cause severe internal engine damage.

Yeck's Tire & Auto
203 Fort Crook Rd N
