WE ♥ OUR CLIENTS!

More and more automotive manufactures are moving to Gasoline Direct Injection (GDI) engines in their vehicle line-ups. How does this impact you?

In a GDI engine, fuel is sprayed precisely within the combustion chamber, (instead of the air intake). This allows for a more complete and even burn. Ideally, this more complete combustion means better fuel economy and higher power. GDI engines can burn leaner than port fuel injection engines and a leaner mixture allows fuel to be burned much more conservatively.

GDI requires fundamentally higher fuel pressures than traditional port injection. This puts a lot of strain on every component in the fuel delivery system, and the fuel itself. The additional stress is not problematic when the system is new, but in as little 5,000 miles, carbon deposits can form inside the system robbing you of power and fuel economy. We are also seeing rough idle and hard starting issues, too.

In a nutshell, service the fuel delivery and air intake components of your GDI engine on a regular basis – we recommend every 20-30 thousand miles.

See You Soon! - Mark

CLIENT OF THE MONTH

TRAVIS & TENEIKA MOCK

WE THINK YOU'RE AWESOME!

12TH ANNUAL ADULT EASTER EGG HUNT!

Stop in throughout April, pick out an egg from our basket, and you WIN IMMEDIATELY!

LOADS OF PRIZES!

No Purchase Necessary.

Car Care Club Members Get (1) extra chance to win!

- \$25.00 Gift Cards

Twelve Facts You Didn't Know About the Month of April

In the northern hemisphere April is a most confusing month; rainy and wet one day, the next full of a warm promise of green growth to come. Besides the weather, the month is full of surprises and contradictions, prized for rebirth and endings, and a birth month to amazing geniuses and crazed despots both, making fun of astrological predictions.

You must love April. It is just like life.

1. April is named after the Greek goddess of love, Aphrodite
2. April's Zodiac Signs Are Four-Legged Hooved Creatures
3. In the Southern Hemisphere, April is the Same as October in the Northern Hemisphere
4. April's Honorary Flowers are Daisies and Sweet Peas
5. The Diamond Is April's Birth Stone & Symbolizes Innocence
6. When New Year's Day was changed to January 1st in the 16th century in France some people refused to accept the change. They were often referred to as April fools.
7. In 1996 Taco Bell ran a story that they had bought the Liberty Bell and were going to rename it the Taco Liberty Bell.
8. Poet William Wordsworth Was Born in April
9. Noah Webster Copyrighted the First Edition of His Dictionary in April

10. Leonardo da Vinci Was Born in April
11. William Shakespeare Born and Died in April
12. Adolf Hitler Was Born in April

Chocolate Covered Easter Eggs

- 1/2 cup butter, softened
 - 1 teaspoon vanilla extract
 - 1 (8 ounce) package cream cheese, softened
 - 2 1/2 pounds confectioners' sugar
 - 1 cup creamy peanut butter (optional)
 - 1 cup flaked coconut (optional)
 - 1 cup unsweetened cocoa powder (optional)
 - 2 cups semisweet chocolate pieces
 - 1 tablespoon shortening or vegetable oil
1. In a large bowl, mix together the butter, vanilla, and cream cheese. Stir in confectioners' sugar to make a workable dough. For best results, use your hands for mixing.
 2. Divide the dough into four parts. Leave one of the parts plain. To the second part, mix in peanut butter. Mix coconut into the third part, and cocoa powder into the last part. Roll each type of dough into egg shapes, and place on a waxed paper-lined cookie sheet. Refrigerate until hard, at least an hour.
 3. Melt chocolate chips in a heat-proof bowl over a pan of simmering water. Stir occasionally until smooth. If the chocolate seems too thick for coating, stir in a teaspoon of the shortening or oil until it thins to your desired consistency. Dip the chilled candy eggs in chocolate, and return to the waxed paper lined sheet to set. Refrigerate for 1/2 hour to harden.

THANKS FOR YOUR KIND WORDS!

"I cannot say it enough- Mark Lowe and his highly professional team ensured that every possible detail was not only addressed but handled quickly and accurately. I brought my vehicle in and they were able to provide me with a very thorough itemized list of recommended repairs, printed it off and never pressured me into any of their services. Megan (she is at the front desk) is awesome! She noted the potential hazardous issues that were put in order of importance and can answer many questions other businesses require their trained mechanics to address. Love these guys and although I don't want anything to happen to my vehicles I know if something does I will be in great hands! Thanks YECK'S!!!!!"— Joseph Mitchell, Bellevue
