WE  OUR CLIENTS!

MARK'S MESSAGE:

Summer is winding down which signals the start of a new school year...

For many, this will be their first time driving. The #1 cause of accidents by teenage drivers is distractions! Here are a few safe driving tips for teenage drivers:

1. Limit the number of passengers. The likelihood of an accident goes up significantly with every passenger in the vehicle.
2. Don't talk or text on their cell phone while driving.
3. Don't eat while driving.
4. Be sure to learn the radio and other vehicle controls.
5. Drive the speed limit!
6. Don't ignore vehicle warning signs, such as vibrations, warning lights, noises, etc.
7. Always have good visibility – keep the windows clean and clear of obstructions.

See You Soon! – Mark

REFERRALS

THANK YOU!

A REFERRAL IS THE GREATEST COMPLIMENT YOU CAN GIVE US!

Jason Grotclueschen, AAA, Gary McMillian, Patsy Freeman, Christina Ross, Adam Talkington, and John Milstead

60 YEARS OF CORVETTE

- First generation (C1; 1953–1962)
- Second generation (C2; 1963–1967)
- Third generation (C3; 1968–1982)
- Fourth generation (C4; 1984–1996)
- Fifth generation (C5; 1997–2004)
- Sixth generation (C6; 2005–2013)
- Seventh generation (C7; 2014–present)

During the 2013 Auto Show Chevrolet presented one of the biggest car debuts of the year: the long-awaited seventh-generation Corvette, a model that brings back the iconic Stingray label and draws on a design heritage stretching back 60 years.

“Chevrolet’s Corvette ranks just one notch below immortality on America’s list of mechanical achievements – and well it should,” a 1968 Car and Driver article on the new C3 Corvette began. “Like barbed wire and the cotton gin, it borrows from no one. Every working aspect and every styling feature evolve from Chevrolet’s plan to build the ultimate American car. The Corvette is exciting, it’s lusty, it stimulates all of the base emotion lurking deep in modern man. It is the Barbarella of the car maker’s art.”

As GM describes, the “Corvette wasn’t born an icon” and it took some time and refinement for it to gain glowing descriptions like the one above. During that sometimes rocky journey, it underwent many changes, and only a few staples, like the commanding dash-to-axle proportion, composite body and two-seat configuration, stayed along for the entire ride. Everything else evolved, sometimes drastically, over the course of seven distinct generations, creating some of the most memorable sports cars in history along the way.

BEST LEMONADE EVER

- 1 3/4 cups white sugar
- 8 cups water
- 1 1/2 cups freshly squeezed lemon juice

1. In a small saucepan, combine sugar and 1 cup water. Bring to boil and stir to dissolve sugar. Allow to cool to room temperature, then cover and refrigerate until chilled.
2. Remove seeds from lemon juice, but leave pulp. In pitcher with ice, stir together chilled syrup, lemon juice and remaining 7 cups cold water.
