"Had my F150 in there getting the 4x4 fixed; best experience I've ever had with an automotive shop! Very friendly staff, great customer service; truck was fixed same day I dropped it off and it's running better than ever; best part is I didn't feel like I was getting screwed over or over charged at all. I highly recommend Yecks!" - Damien Jackson, Omaha

## HALLOWEEN RULES

Are there Halloween Rules? If you follow these rules, chances are that you will survive until next Halloween. If you don't, next year you may very well be the one doing the haunting!

- ✓ Avoid trick or treating to any house that is sinking into a hole in the ground.
- ✓ Do not go down into a basement or cellar when the lights go out to find out what caused it.
- ✓ Avoid trick or treating at any house that is made of gingerbread.
- ✓ Don't go into the yard of a house that has a bloody wood chipper by the sidewalk.
- ✓ Beware of strangers carrying chainsaws and hiding in the bushes.
- ✓ Take the hint if you come upon a deserted town. It is that way for a reason.
- ✓ Stay away from locations such as Amityville, Elm Street, or any small town in Maine.
- ✓ If your friends start to show uncharacteristic behavior such as glowing eyes, fascination with blood and increased hairiness, kill them.
- ✓ Dress appropriately. When investigating a sound that goes bump in the night, don't wear a flimsy nightgown. Always carry a flashlight, not a candle.
- ✓ On a dark stormy night if your car runs out of gas, do not go to the nearest deserted house with eerie green light coming through the windows and gargoyles on the front steps.
- ✓ Do not stand in, around or anywhere near a grave, crypt or any other home of the dead.
- ✓ Do not go looking for witches in the Maryland countryside.
- ✓ If your child's head starts spinning around or they speak in a deep, unknown voice in another language GET OUT!
- ✓ Do not mention any demons names around an open flame. This includes fireplaces.
- ✓ Do not mess around with combining DNA technology unless you are absolutely sure what you are doing. Don't be surprised with what creature comes from your chemical combination skills.
- ✓ If you find yourself alone on a rowboat in the middle of a foggy lake in the middle of the night and you see bubbles coming up from the water—ROW and ROW FAST!

## OCTOBER OATMEAL PUMPKIN MUFFINS

- no-stick cooking spray
- 1/2 teaspoon ground cinnamon
- 1/2 cup all-purpose flour
- 1/2 teaspoon ground nutmeg
- 1/2 cup whole wheat flour
- 1 1/4 cups pumpkin puree
- 1/2 cup white sugar
- 1/2 cup milk
- 1 teaspoon salt
- 2 eggs, beaten
- 1 teaspoon pumpkin pie spice
- 1/4 cup maple syrup
- 3/4 teaspoon baking powder
- 3/4 cup quick-cooking rolled oats
- 1/2 teaspoon baking soda

1. Preheat oven to 375 degrees F. Spray 6 muffin cups with cooking spray.
  2. Whisk all-purpose flour, whole wheat flour, sugar, salt, pumpkin pie spice, baking powder, baking soda, cinnamon, and nutmeg together in a large bowl until thoroughly combined. Stir pumpkin puree, milk, eggs, and maple syrup into the dry ingredients until batter is smooth; fold oats into batter. Scoop batter into prepared muffin cups, filling them to the top.
  3. Bake in the preheated oven until a toothpick inserted into the center of a muffin comes out clean, 20 to 30 minutes; set aside to cool 5 to 10 minutes before serving.
- Cook's Note:** Recipe quantities supply enough batter for 6 very large muffins, 9 regular-sized muffins, or 12 miniature muffins. Larger muffins may need the full baking time.
